

Total Bridge Cost: \$630,300

(\$500,000 in 2019 – 25% increase)

Where We Are & What We Need

The Lord united us in a vision to build a new high-water bridge into camp to provide a safer and more welcoming entrance.

The initial fundraising campaign, begun in the summer of 2019, has already raised almost half of the funds needed!

To complete this important project for God's mission at Camp Linn Haven for the present and for future generations, we need a second wave of donations.

Why?

1) Construction costs have increased over 25% since the project began.

2) While we rejoice that we have remained open during COVID, costs have increased and income has decreased.

Camp Linn Haven: A Tradition Since 1940

Began as a Walther League Camp administered by the Carolinas Lutheran Layman's League.

The current Board is continuing that tradition as area churches sponsor cabins and spend time at camp for fellowship, recreation, teaching, worship, and retreats.

Now – equipping the camp for present and future ministry by building a new, safe, high-water bridge.

Other recent efforts to improve camp to serve future generations:

- New large playgrounds for children
- New 40-year roof on Dining Hall
- New 40-year roofs on 3 cabins
- New Staff House for our great staff (\$118,452 owed on this loan)
- Upgrades to the Retreat Center
